

My Blueprint

Dear Parent/Guardian,

The Abbotsford School District is using the **MyBlueprint** platform for career education, digital portfolios, and self-assessment of core competencies throughout kindergarten to grade 12.

MyBlueprint is a user-friendly, Canadian-based platform offering curriculum related to career education and storage space for digital portfolios for learning, communicating progress and assessment. The service supports teachers, empowers students, and engages parents. MyBlueprint increases engagement by offering a continuous glimpse into each child's learning that teachers, parents and students share.

Accessible via website on any browser, MyBlueprint captures current progress in the classroom and offers a more complete representation of a child's learning than a report card. Teachers set up classrooms with individual student and parent accounts to manage, view, and comment on demonstrations of learning in the student's digital portfolio.

Teachers will be explicit with student expectations and acceptable uses of MyBlueprint for learning. Teachers will moderate what and how information may be uploaded. Student information is accessible only by the student, teacher, and parent for educational purposes. Your written consent to your child's use of MyBlueprint is required by British Columbia's Freedom of Information and Protection of Privacy Act (FIPPA).

For more information please visit <https://MyBlueprint.ca/privacy>

I have read this consent form and understand that my child's personal information (first and last name) as well as evidence of learning such as documents, photos, videos, comments, and other educational artifacts may be collected, used and disclosed for educational purposes in the MyBlueprint platform.

This consent will be considered valid from the date it is signed until which point the student named below is no longer a student within the Abbotsford School District, or permission has been withdrawn.

Kindly return a copy of this signed letter to your child's teacher. If you have any questions or concerns, please feel free to contact your school.
